## Annual Meeting September 16<sup>th</sup>

At the Golden Fellowship Hall (Interlochen Library)

7:00 pm Wednesday

Please attend this meeting as some decisions regarding our Front Entrance need to be made. The signs are in need of painting and the support posts are rotting at the grade line. The electrical lighting fixtures are in need of replacement. The shrubbery is over growing the signage. In short our 20 year old Front Entrance is in need of a Makeover at a future time. It would be nice to have Association Members input as to what it should look like. We should be proactive as opposed to The Board Members making reactive decisions when the signs fall over. A budget is available to address this issue. Delinquent dues collection has a new process. Those of you two years past due will receive a letter from our Attorney Patrick J. McDonald. He will proceed with collections and this may lead to court action and a judgment against the delinquent member. \$50.00 per year is not much for HOA dues and it is inescapable for all BCC association members.

We have bylaws available on our web page.
