OCTOBER 20, 2016

BETSIE CREEK CROSSING FALL NEWSLETTER

RECAP OF SEPTEMBER'S ANNUAL ASSOCIATION MEETING

We started the meeting with a report of our finances and the fact that we came in under budget with the entrance renovation and common area development. This is due to not being able to install a water feature at the entrance. Our entrance is a main utility easement full of underground lines, digging of any kind would be too risky. Instead we have increased the budget for the common area.

We have installed a swing set from Apple Fence Company, a wonderful bench built and donated by our association treasurer Chris Hasse, a split rail fence to designate a safe zone for play and safety signage to keep drivers aware of the possibility of children at play. Some other suggestions by meeting attendees are getting a picnic table, which we are considering. Let us know what you think. We would like you all to know how wonderful our association volunteers are, we could not have completed the project without your help! What a wonderful job you all did and our new subdivision sign is just spectacular!

In addition, was attendees' discussion about speeding concerns. FYI, in case you didn't know that our speed limit is 25mph, not 45mph for cars, motor bikes, golf carts, snowmobiles..etc. Also discussed are concerns about the school bus. All drivers must **STOP** when the bus is stopped and the lights are flashing. Busses are now equipped with cameras and violators will get a citation.

ANNOUNCING THIS HOLIDAY SEASON'S

BCC Christmas Holiday Decoration Contest!

We encourage all of you to go all-out with holiday decorations this December. We will have a Secret Santa Judge to award the winner of a gift certificate to a local restaurant! We need to show-off our community pride! You could win the **Clark Griswold Award for the Most Holiday Lights!** Let's give Morgan Run and Cycle Moore a run for the money! Booyah!

Don't forget to visit our updated website betsiecreekcrossings.com where you can get a copy of our bylaws. Also, you can like us on **FaceBook!**

Have a safe and happy holiday season!
